

As directed by the Governor, Palestine CUSD #3 Schools are closed to on-site learning through the end of the school year. Remote Learning will continue.

We are saddened by the reality that our school community will not be able to reconvene in person this year due to the public health crisis. Please remember that the final chapter of this school year has not yet been written. Today's announcement will result in significant decision-making concerning events and scheduling. As this announcement is fresh and raw, it will take us some time to sort out the details concerning grading, promotion, and PGS and PHS graduations. Please be patient as we work through these decisions and get you the information you want and need. It's important we continue to work together to support our students and each other. We are in this together, and we will be stronger, together, when this is over! Rest assured we will keep the health and safety of all of our students, staff and their families a priority when making decisions. We will find ways to celebrate all students and their achievements. We are Pioneer Strong!
